The Nominating Committee has nominated the following members to serve in elected office. The members are in alphabetical order.

Robert Barnes, Cass McManus, Steve Nicoll, Kimberly Trainer
Board of Directors: Four, Three-Year Terms, Four Vacancies.

No other nominations have been timely received. Please note that when no more nominations for vacant positions are received than the actual number of vacant positions available (as in this case), the Credit Union can declare those persons nominated to be automatically elected without further action (by acclamation). The election will not be conducted by ballot, and there will be no nominations from the floor when there is one nominee per vacancy. If there are no nominations by petition, the nominees who were nominated by the Nominating Committee will be declared elected by the Chairman of the Board of Directors at the Annual Meeting. It is the opinion of the Board of Directors that this is the most democratic manner in which to handle this election. If there are any questions regarding nominations by petition or the balloting process, please contact the management staff of the Credit Union office. We look forward to seeing you at the Credit Union's Annual Meeting.
